Something
Amazing!

Do you feel inspired by your child's school, or know someone that would make a great teacher?

The Flying High Partnership works in collaboration with Inspiring Leaders Teacher Training to provide an 'Outstanding' School Centred Teacher Training Course.

Our one year route provides a blend of school experience based in our schools across Nottinghamshire and Derbyshire alongside an inspiring taught programme. This leads to the award of QTS and a PGCE in partnership with Nottingham Trent University.

Not just a course, the start of your future career!

It was such an amazing and
unforgettable year in my life. The
training we received was
challenging and really stretched me
as an individual, setting me up
exceptionally well for my first year
in teaching. I've met other NQTs
who didn't train with Inspiring
Leaders and believe I was given an
excellent head start in my career.
