Section A - Policy Introduction & Ethos

The purpose of this policy is to detail how Cotgrave Candleby Lane ensures that all children and young people enrolled in the school are protected and safeguarded from harm, reflecting current legislation, known best practices, and compliance with relevant government guidance.

This policy applies to all staff, governors, volunteers, and visitors, and outlines the school's commitment to safeguarding and promoting the welfare of children as a core part of its ethos and values. Safeguarding is everyone's responsibility, and this policy sets out the expectations for a whole-school approach to child protection.

This policy is informed by the statutory guidance *Keeping Children Safe in Education (KCSIE) 2025* and *Working Together to Safeguard Children 2023*, which together set out the responsibilities of schools and other agencies in identifying, responding to, and preventing harm to children.

Cotgrave Candleby Lanes Ethos

At Cotgrave Candleby Lane, we are committed to creating a safe, inclusive, and nurturing environment where every child feels valued, respected, and supported. We recognise that children's welfare is paramount and that safeguarding is integral to all aspects of school life, including teaching and learning, pastoral care, and extracurricular activities.

We aim to foster a culture of openness, trust, and transparency, where safeguarding concerns are taken seriously and responded to appropriately. Central to this is ensuring that pupil voice is actively encouraged, listened to, and acted upon. Children are given a wide range of opportunities to express their views, share their experiences, and contribute to school improvement.

This is achieved through structured forums such as the Pupil Parliament, School Council, and Pupil Leadership Team, where children are elected by their peers to represent the wider pupil body and influence decision-making at whole-school level. In addition, pupils can share their concerns and ideas more privately through worry boxes in classrooms and communication with our dedicated pastoral team, who provide timely and supportive responses.

Safeguarding and wellbeing are also addressed through themed assemblies that encourage discussion, reflection, and awareness.

Beyond formal structures, pupil voice is embedded within the curriculum and extracurricular opportunities, ensuring children's perspectives shape the way we teach, support, and safeguard. In this way, pupil feedback not only informs our provision but strengthens the culture of safety and respect that underpins all aspects of school life at Cotgrave Candleby Lane.

The School is part of the Flying High Trust Partnership, a multi academy trust. The ethos behind the Trust is grounded in a strong moral purpose and school-led improvement. It is founded upon a primary philosophy of putting children first in all that we do and promoting our three key values across all Trust schools, which are:

- Unique
- Exceptional
- Sustainable

All Flying High Trust schools are at the heart of the community they serve, offering the very best education, support and care; an environment of aspiration, underpinned by the highest expectations.

Whole School Approach

Safeguarding and child protection are embedded across the *school's* policies, procedures, and practices. All staff receive regular training and updates to ensure they understand their roles and responsibilities. The school works in partnership with children, parents/carers, and external agencies to promote a culture of vigilance and proactive safeguarding. Throughout this policy, the term 'whole-school approach' is used to refer to a unified safeguarding strategy across the entire education setting, including colleges.

The following policies contribute to the *school's* whole-school approach to safeguarding:

Annual Review and Public Availability

All members of staff and the governing body accept responsibility for ensuring the safety and wellbeing of all of our children and are committed to meeting their pastoral, social and academic needs within a caring and nurturing environment.

Adults in our school take all welfare concerns seriously and encourage children and young people to talk to us about anything that worries them. We will always act in the best interests of the child.

- Informing parents may increase risk or distress
- The child has expressed a clear preference

Decisions are made in consultation with the DSL and, where necessary, safeguarding partners.

Section M - Child-on-Child Abuse and Harmful Sexual Behaviour

At **COTGRAVE CANDLEBY LANE**, we recognise that children can be both victims and perpetrators of abuse. We are committed to preventing, identifying, and responding to all forms of **child-on-child abuse**, including **harmful sexual behaviour (HSB)**, in line with statutory guidance and local safeguarding procedures.

We adopt a zero-tolerance approach to abuse and harassment between children and ensure that all incidents are taken seriously, investigated appropriately, and responded to with care and professionalism.

1. Definitions and Scope

Child-on-child abuse may include:

- **Physical abuse** (e.g. hitting, kicking, biting)
- **Bullying** (including cyberbullying and prejudice-based bullying)
- **Sexual violence** (e.g. rape, assault by penetration)
- **Sexual harassment** (e.g. sexual comments, jokes, online harassment)
- **Sharing of nudes/semi-nudes** (youth-produced sexual imagery)
- **Upskirting** (a criminal offence under the Voyeurism Act 2019)
- **Initiation/hazing-type violence and rituals**
- **Controlling or coercive behaviour** in peer relationships
- **Emotional and psychological abuse** (e.g. manipulation, intimidation, gaslighting)

Harmful sexual behaviour may be developmentally inappropriate, be coercive, abusive, or exploitative. It can occur online or offline and may be perpetrated by individuals or groups, directed at peers, younger children or even adults.

2. Prevention and Education

We take a proactive approach to preventing child-on-child abuse through:

- A robust RSHE and PSHE curriculum that teaches consent, boundaries, respect, and healthy relationships
- Online safety education, including risks from mobile networks and AI-generated content
- Assemblies, workshops, and pupil-led initiatives
- Staff training on recognising and responding to HSB and child-on-child abuse
- Clear behaviour policies and safeguarding procedures

We promote a culture where pupils feel safe to report concerns and understand that abuse is never acceptable.

3. Reporting and Responding to Incidents

All staff must report concerns about child-on-child abuse to the DSL immediately. The DSL will:

- Assess the nature and severity of the incident
- Consider the wishes and needs of the victim
- Take appropriate safeguarding action, including referral to MASH or the police if necessary
- Inform and involve parents/carers unless doing so would increase risk
- Record all actions, decisions, and outcomes in CPOMS

Victims are supported to feel safe, heard, and respected. Perpetrators are also supported, with consideration given to underlying needs or trauma.

4. Supporting Pupils

Support for victims may include:

- Pastoral care and safe spaces
- Access to counselling or therapeutic services
- Regular check-ins and trusted adult relationships
- Safety planning and adjustments to routines

Support for perpetrators may include:

- Behaviour interventions and restorative approaches
- Referral to external services (e.g. CAMHS, youth offending)
- Education around consent, boundaries, and respectful behaviour

We recognise that both victims and perpetrators may require safeguarding support and that early intervention is key to preventing escalation.

5. Multi-Agency Working and Resources

We work closely with safeguarding partners to address child-on-child abuse, including:

- Nottinghamshire MASH
- Police and youth justice services
- NSPCC and Stop It Now
- Lucy Faithfull Foundation
- Nottinghamshire Local Authority and other relevant safeguarding partners

We use tools such as the **HSB Toolkit**, **Neglect Toolkit**, and **Contextual Safeguarding Self-Assessment** to inform our practice.

Section N - Allegation Against Staff

At **COTGRAVE CANDLEBY LANE**, we take all allegations and concerns about staff conduct seriously. We are committed to maintaining a safeguarding culture where concerns are identified early, reported appropriately, and managed in line with statutory guidance and local procedures.

This section applies to all staff, including supply staff, volunteers, contractors, and visitors working with children.

1. Managing Allegations

Cotgrave Candleby Lane follows the procedures outlined in **Part Four of Keeping Children Safe in Education (KCSIE) 2025** and the **Nottinghamshire Safeguarding Children Partnership (NSCP)** protocols when managing allegations against staff, volunteers, or other adults working with children.

Definition of an Allegation

An allegation may relate to a person who works with children and has:

- Behaved in a way that has harmed a child or may have harmed a child.
- Possibly committed a criminal offence against or related to a child.
- Behaved towards a child in a way that indicates they may pose a risk of harm.
- Behaved in a way that indicates they may not be suitable to work with children.

Reporting and Initial Action

- **All allegations** must be reported immediately to the **Headteacher**.
- If the allegation concerns the Headteacher, it must be reported to the **Chair of Governors**, who will act as the **Case Manager**.
- The Chair of Governors must ensure the **Local Authority Designated Officer (LADO)** is informed within **one working day** and follow all statutory procedures to safeguard pupils and ensure a fair, impartial investigation.

Investigation and Support

- The lead investigator will liaise with:
 - The **FHP Safeguarding Lead** and **FHP Safeguarding Team** for guidance and oversight.
 - The **FHP HR Team** for employment-related advice and procedures.
- Governors responsible for Managing Allegations will liaise with the **FHP Deputy CEO / Whistleblowing Officer**, particularly in cases concerning the Headteacher.
- Governors handling allegations will have completed **appropriate Managing Allegations training** to ensure compliance with statutory and partnership guidance.

This structured approach ensures that all allegations are handled **promptly, fairly, and transparently**, safeguarding pupils while providing due process for staff.

2. Role of the Case Manager and LADO

The **Case Manager** (usually the Headteacher or Chair of Governors) is responsible for:

- Liaising with the LADO
- Ensuring the allegation is investigated promptly and fairly
- Coordinating with police and children's social care where necessary
- Ensuring the safety and welfare of the child
- Supporting the member of staff subject to the allegation

The **LADO** provides oversight, advice, and guidance throughout the process and ensures consistency and timeliness.

3. Low-Level Concerns

A **low-level concern** is any concern that does not meet the harm threshold but may indicate that an adult is acting in a way that is inconsistent with the setting's Code of Conduct.

Examples include:

- Being overly familiar with pupils

- Using inappropriate language
- Failing to maintain professional boundaries

All low-level concerns must be reported to the Headteacher and recorded securely. Patterns of behaviour are monitored, and concerns are escalated if necessary.

We promote a culture where staff feel confident to report concerns without fear of reprisal.

4. Whistleblowing

We encourage staff to raise concerns about poor or unsafe practice through our **Whistleblowing Policy**. This includes concerns about:

- Safeguarding failures
- Unsafe behaviour by colleagues
- Inadequate safeguarding procedures

Staff can report concerns internally or contact the **NSPCC Whistleblowing Helpline**:

Tel: 0800 028 0285 or email: help@nspcc.org.uk

Whistleblowers are protected under the Public Interest Disclosure Act and will not suffer detriment for raising genuine concerns.

5. Safeguarding Culture

We are committed to fostering a safeguarding culture that includes:

- Clear expectations for staff behaviour (Code of Conduct)
- Regular safeguarding training and updates
- Open dialogue and reflective practice
- Support for staff involved in safeguarding processes
- Transparent and fair management of allegations

Safeguarding is everyone's responsibility, and we expect all staff to uphold the highest standards of professional conduct.

Section P - Identification for Visitors

At **COTGRAVE CANDLEBY LANE**, we are committed to ensuring that all visitors to our site are appropriately identified, vetted, and supervised in line with safeguarding expectations. - The visitor has undergone appropriate **DBS checks**
- Safeguarding procedures have been followed
- The visitor is suitable to work with children

This letter is updated annually and retained by the school for reference. Visitors from Nottinghamshire County Council or other approved agencies are expected to carry their organisation ID and be listed on the DBS verification letter.

Contractors working during school hours must:

- Be risk-assessed for safeguarding impact
- Be supervised if not DBS-cleared

- Follow the school's safeguarding procedures
- Report any concerns immediately to the **Designated Safeguarding Lead (DSL)**

Guidance for Using Body Maps to Record Observations of Physical Injury

Where appropriate, **medical assistance should be sought without delay**.

Body maps are a tool to help staff accurately document and illustrate visible signs of harm or physical injury. They should be used in conjunction with the school's safeguarding recording procedures.

- Always use a **black ink pen** (not pencil), and **do not use correction fluid or erasers**.
- **Do not remove clothing** to examine injuries unless the area is already exposed due to treatment or the child's clothing naturally allows visibility.
- **Staff must not take photographs** of any injuries or marks on a child's body under any circumstances. Doing so may result in the staff member being subject to **managing allegations procedures**. Use the body map provided to record observations in line with this guidance.
- **All concerns must be reported and recorded immediately** to the appropriate safeguarding services, such as the **Multi-Agency Safeguarding Hub (MASH)** or the child's allocated **social worker** if the case is already open to children's social care.

When recording an injury, aim to include the following details for each mark observed (e.g. bruises, cuts, swelling, burns, scalds, lacerations):

- **Exact location** on the body (e.g. upper outer arm, left cheek)
- **Size** of the injury (in centimetres or inches)
- **Shape** of the injury (e.g. round, linear, irregular)
- **Colour** of the injury (note if multiple colours are present)
- Whether the **skin is broken**
- Presence of **swelling**, either at the site or elsewhere
- Any **scabbing, blistering, or bleeding**
- Whether the injury appears **clean or contaminated** (e.g. grit, fluff)
- Any **restriction in mobility** due to the injury
- Whether the site feels **warm to the touch**
- Whether the child appears **feverish or in pain**
- Any changes in the child's **posture or body movement**

The **date and time** of the observation must be clearly recorded, along with the **name and role** of the person completing the record. Additional comments may be added where relevant.

If **First Aid** is administered, this should be recorded appropriately.

A completed body map should be stored securely within the child's **child protection file**.
