

# Year 3 Autumn Homework Menu

As you know from our curriculum letter, our driver for this term is History, which will centre on our enquiry question: Why isn't the future set in stone? Here are 12 homework ideas that link to this question. Your child will receive a 'star on the door' for their first piece of complete homework, and 2 Candleby credits for each subsequent piece! Every week, we will celebrate all of the homework that the students bring in. Also, please feel free to send us images of the children completing their homework; we would love to see them!
